

ISPL 2022 Grenoble

25th International Symposium on Plant Lipids

From July 10th to 15th, 2022

Grenoble, France

Program - Information - Registration

 <https://ispl2020.scienceconf.org>

 Liste-GRE-ISPL2022@cea.fr

ISPL 2022 chairpersons: Eric Maréchal & Juliette Jouhet

Laboratoire de physiologie
cellulaire & végétale,
Grenoble

SESSIONS:

Fatty acids and membrane glycerolipids;
Lipid trafficking and channelling; Triacylglycerol
metabolism; Lipid droplet biogenesis and function;
Lipid in development and physiology;
Lipid signaling (oxylipins, phosphoinositides);
Sphingolipids and sterols; Surface lipids;
Lipids and environment; Biodiversity and evolution of
lipid metabolism and function; Carbon partitioning,
metabolic engineering and lipid biotechnology
